Expenses and Fees

Expenses

Principal expenses and regulations concerning the payment of fees are described herein. Fees and other charges are subject to change without notice. When such changes are made, notice will be given as far in advance as possible. Expenses are in the form of tuition, out-of-state tuition; student services fees and other special fees. Fees of all students are due and payable at the time of registration. Registration is not complete until all fees have been paid. Out-of-state residents pay higher fees than Georgia residents.
